Start of Block: Default Question Block

Name Thank you for your interest in being a site for this CYSHCNet project.

What is your first and last name?

Site Which site do you represent?

- University of Colorado Denver (Children's Hospital Colorado) (17)
- University of Wisconsin-Madison (American Family Children's Hospital) (19)
- Harvard University (Boston Children's Hospital) (18)
- Northwestern University (Lurie Children's Hospital) (8)
- Stanford University (Lucile Packard Children's Hospital) (4)
- UCLA (Mattel Children's Hospital) (5)
- University of Cincinnati (Cincinnati Children's Hospital Medical Center) (6)
- Duke University (Duke Children's Hospital) (7)
- University North Carolina (UNC Children's Hospital) (9)
- Harvard University (MassGeneral Hospital for Children) (10)
- University of Rochester (Golisano Children's Hospital) (11)
- University of Rochester (Golisano Children's Hospital) (12)
- Vanderbilt University (Monroe Carell Jr. Children's Hospital) (13)
- University of Texas (Children's Memorial Herman Hospital) (14)
- University of Missouri (Children's Mercy Hospital) (15)
- University of Utah (Primary Children's Hospital) (16)
- Other not listed (20)

Display This Question:

If Which site do you represent? = Other not listed

SiteO What other site are you representing?

Page Break

SitePI Do you have a site primary investigator already identified for this project (if your site is selected)?

This can be you or another colleague at your institution who would be committed to be the project's site PI.

- Yes, it's me (4)
- Yes, it's someone else (6)
- No, we do not have a PI identified yet (7)

Display This Question:

If Do you have a site primary investigator already identified for this project (if your site is sele... = Yes, it's someone else

EmailContact What is the first and last name of the other person who could lead the study from your site?

Display This Question:

If Do you have a site primary investigator already identified for this project (if your site is sele... = Yes, it's someone else

Q14 What is the email address of the other person who could lead the study from your site?

StaffAv Which of the following options best describes your current research staff availability?

- We have existing research staff available for the proposed study start date. (4)
- We do not have research staff identified yet. However, we would have access to a research staff pool or other reliable source of staff by the proposed start date. (6)
- We would have to hire a new staff member to conduct this study. (7)
- Other staff situation not described. (8)

Display This Question:

If Which of the following options best describes your current research staff availability? = Other staff situation not described.

Q15 What is your other research staff situation?

Partner Do you have a Lived Experience Partner, such as a parent, patient, or other partner available at your site for this project?

- Yes, we have a specific partner(s) who is already interested in participating in this project!
(4)
- Yes, we know one or more partners who would likely be interested in this project. (6)
- We do not have anyone in mind as a partner yet. (7)
- Other partner situation not described. (8)

Display This Question:

If Do you have a Lived Experience Partner, such as a parent, patient, or other partner available at... = Other partner situation not described.

PartnerO What is your other research partner situation?

Q11 Please write the percentage of patients at your site who you estimate would self-identify in each of the following racial ethnic groups.

Please review the 1-page study criteria and note any specific inclusion criteria to help answer this question.

Hispanic (1) _____

Non-Hispanic Black (2) _____

Non-Hispanic White (3) _____

Asian, Native, Mixed Race, Other (4)

Q12 Please estimate the percentage patients at your site whose preferred language for medical care is English, Spanish, or another language.

English (1) _____

Spanish (2) _____

Other language (3) _____

LangRecruit Does your site have the ability to conduct recruitment and retention activities in Spanish?

Yes definitely, we do this already. (1)

Yes, I think so. (2)

I don't think so or am not sure. (3)

Page Break

Q18 Please review the 1 page description of the study and if available, watch the recorded session about the study's goals and timeline. Then, please answer the following questions that best describe your perception of your site's ability to conduct the proposed study in the current study timeline. This information helps us understand potential timeline restrictions or barriers but also strengths and needs at each potential site.

What is the likelihood of your site's ability to conduct each of the following activities within the proposed timeframe?

	Extremely unlikely (2)	Unlikely (3)	Likely (4)	Extremely likely (5)
Obtain IRB within the goal timeframe (2)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Execute the Data Use Agreement within the goal timeframe (6)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Meet recruitment targets (# of patients recruited per week) (3)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Have the site PI regularly attend study meetings (4)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

LastCatchAll Is there anything else we should know about your site as it relates to this project or conducting research? For example, does your site have any special populations, geographic representation, special research skill set or resource, or requirements we should be aware of? Anything else we should know?
